

The Tides of Lust is a powerful, erotic and violent encounter with the voices and experiences of characters who linger in a small American seaport. Here is an insatiable African-American ships captain, a dangerously young slave mistress, an aimless drifter and a supreme artist of the perverse. Written by acclaimed and award-winning author Samuel R. Delany, The Tides of Lust, first published in 1973, is a wild ride along the oceans of unleashed sexuality at its most exuberant. A true modern classic.
